

The California chapter of Delta Upsilon congratulates you on your admission to the finest public university in the world and we would like to offer you the opportunity to apply to the **Charlie Cords Memorial Scholarship**.

This scholarship of up to **\$1500** is open to all male and female Cal freshmen and first year transfer students. Because of the rising costs of education, we feel that organizations in our position have a responsibility to reach out and assist fellow students in meeting their educational goals. The recipients of these awards will be chosen on the basis of their academic and extracurricular activities and achievements, as well as their personal qualities in relation to Delta Upsilon's Four Founding Principles:

- The Promotion of Friendship
- The Development of Character
- The Diffusion of Liberal Culture
- The Advancement of Justice

Please note that you don't need to join Delta Upsilon Fraternity or any other Greek institution in order to be considered for this scholarship.

The application process is rather simple and should not require much effort other than compiling the same information that you needed to apply to Cal. The application is in two parts: a written segment and, for selected individuals, an interview.

To apply, send a word document containing the following information:

- Your name and contact information
- A personal essay (applicants typically use their personal statement from the UC application)
- Resume
- Any other information you find relevant such as extracurricular activities, special skills, interests, intended major, etc. that was not included in the essay or resume

To vp.scholarship@ducalifornia.org with the subject "Charlie Cords Memorial Scholarship"

Applications must be submitted by **Tuesday, October 2nd, 2018**.

Interviews will be held Saturday, October 13, 2018. If you will be unavailable on this day please include this in your email and we will schedule an alternative interview.

If you have any questions about the scholarship program or if there are technical errors with the application, please contact Eilen Shahbaz by email, vp.scholarship@ducalifornia.org.

Thank you and good luck in your first semester!
